Given that classes end this week, we'll likely just post the updated one NEXT summer. Thanks again for pointing out this unfortunate oversight. I'm glad we were able to correct it!

Hi Mike,

I hope you are well!

The students in our School of Hebrew level 4 class are discussing linguistic landscape in public spaces as part of their summer Hebrew studies and have asked me to forward a letter they wrote to you (attached in Hebrew and in English), along with a photo of the sign that inspired this letter.

Thank you for considering their request!

We look forward to hearing from you,
Elizabeth
